Full-Time Physical Therapy Assistant

Reddy-Care Physical Therapy has a great Full-Time Physical Therapy Assistant Position (PTA)! We are looking for a qualified individual who desires to work in a dynamic rewarding environment. We understand what it takes to be successful in this profession and we believe that you can excel in the field of physical therapy as a member of our team.

We are an outpatient private practice located in Great Neck, NY. We specialize in orthopedic and manual therapy. Our company is dedicated to becoming the site for clinical excellence and growth. Our goals are to continue our expansion with happy, hard working employees that make a difference in our patient's lives.

You will enjoy a friendly and professional work environment, a fulfilling experience, and the opportunity to build a career with a forward thinking, innovative physical therapy practice and a substantial client base with which to work.

We are seeking:

- A graduate from an accredited associated degree program with an APTA curriculum.
- Two years or more years of outpatient orthopedic experience within a private clinic
- Outgoing and energetic personality
- Solid work ethic

We offer competitive compensation, as well as a comprehensive benefits package which include health insurance and a 401(k) plan. In addition we have other outstanding benefits such as continued education reimbursement and paid time off.

If you are interested in our company and feel that it can be a good fit for you, fax your resume to Stephanie Idjadi at 516-466-7723 or email them to jobs@reddycare.net.

This is an excellent opportunity to help grow an existing clinic with a high level of patient care and friendly environment. Your performance will be rewarded!
